- Ⓢ In any way that we in our reasonable discretion consider objectionable, inappropriate, likely to injure the Netcelero brand and reputation, or otherwise unacceptable (may include the use of Internet services for bit torrenting or peer-to-peer file sharing services).

In addition, you shall:

- Ⓢ Not without our written consent, save as permitted by law, and shall not permit any other person to: (a) copy, modify, disassemble, reverse engineer, decompile or in any other way interfere with any software provided as part of the Services; or (b) create any new software partly or wholly based on the software; or (c) transfer, assign or sub-license your right to use the software or attempt to do so
- Ⓢ Please note that Netcelero if approached with complaints relating to any of the above violations will cooperate and assist the police, law enforcement and regulatory bodies with their investigations in order to bring such misuse and violations to an end
- Ⓢ Not use port-scanning software on any content or Services
- Ⓢ You will indemnify and hold Netcelero harmless against all liabilities, claims, damages, losses, expenses, costs and proceedings, howsoever arising from any breach by you of these terms and provisions

Copyright and Third Party Rights

Any images, photographs, articles, pages, designs, drawings, software, music, information and other materials published on the Internet and on the Services are protected by copyright. Publishing material on the Internet and on the Services does not mean it is available for anyone to copy. Unless the owner of that copyright specifically states that you may copy the work, you should assume that you cannot.

Acceptable Use Policy

It is an infringement of copyright to copy, reproduce, adapt, translate, broadcast or perform copyright protected material without permission, to make infringing copies available to the public or otherwise to knowingly deal in infringing copies.

The Services must not be used, directly or indirectly, to transmit, publish, link to or otherwise make available any confidential information or trade secrets of any person or entity.

Fraud

Nobody may use the Services, either directly or indirectly to impersonate any person, entity or a minor or to commit or attempt to commit any fraud.

In using the Services, you must not use a false name or a name you are not entitled to use.
